#### Investment Policy Statement Manulife Sentinel Income (Mackenzie) Series R

#### **Investment Objective**

This Fund seeks a steady flow of income with reasonable safety of capital by investing primarily in a combination of fixed-income and equity securities of issuers anywhere in the world.

#### **Investment Strategy**

When selecting equity securities, the portfolio advisor uses a five step value-oriented investment selection approach which involves studying industries and companies to gain a deeper understanding of fundamental conditions and competitive forces, estimating the value of the companies using a cash flow analysis, comparing those values to current stock prices to ensure both significant potential upside and to provide a margin of safety, ensuring consistency in the overall analysis across all prospective investments; and, finally when selecting securities for the portfolio, emphasizing securities with a higher yield.
